

Honoring Veterans

VETERANS DAY | NOVEMBER 11, 2020

In a recent survey of Veterans and Military Families, we found that when people say “thank you for your service,” that is appreciated. Great, keep it up America! Less often though does someone follow-up with, “how can I as a Patriot support you and your fellow servicemen and women in this season.” This presents an opportunity for Patriots to do more with their time and money to show they really care. Learn how you can host a Carry It Anywhere event to support Veterans and Military Families this November.

LEARN MORE AND SIGN UP

Carry The Load is a non-profit that provides active ways to connect Americans to the sacrifices made daily by our nation’s military, veterans, first responders and their families.
